**** Three (3) Sets of Plans or Drawing are Needed**

NOTE: Plans that are approved are not to be considered authorization to change the drainage plan as installed by the developer and approved by the City of Aliso Viejo. The review is intended to consider aesthetic appearance of the drains, pipes and coring and other applicable aspects of drainage. Plans are not reviewed from the standpoint of structural safety or conformance with building or other codes.

Owner may also need to acquire approval from the City of Aliso Viejo for permission to encroach within public easements or right-of-way. Building permits may need to be obtained from the City of Aliso Viejo or such improvements as patio covers, gazebos, spas, pools etc.
